

Shehryar Saeed  
MD/CEO

Shehryar saeed has over 32 years of varied work experience both abroad and in Pakistan. Started his career in 1980 with Oman Marketing & Services Company, Muscat (An Al-Futtaim Group Company ) in their Power Product Division. He moved on in 1982 and joined Sharjah National Lube Oil Company (Lube Oil Blending & Marketing - Gulf Oil USA, Brand). In 1985 he returned to Pakistan and joined Johnson & Phillips as Manager Maintenance at the Head Office in Karachi. He subsequently held various positions as Head of different corporate functions at the Head office and Business units. In 1992 because of business expansion Shehryar Saeed moved up the corporate ladder as he progressed from Manager at the head office in Karachi to GM/CEO of the Business Unit in Lahore, a facility which he constructed and operated. After four years in this role he returned to the Head Office and took over as Head of Operations. In June of 1999 he was appointed MD/CEO. He holds a Bachelor degree in Engineering.
